

**REMARKS**

This case has been carefully reviewed and analyzed in view of the Official Action dated October 25, 2005.

The Examiner has objected to the drawings under 37 CFR 1.84(h) because Fig. 7 contains a center line. A corrected drawing sheet for Fig. 7 is submitted for the Examiner's approval.

Further, the Examiner has objected to the disclosure because of informalities. The disclosure has been corrected to overcome this objection.

Furthermore, the Examiner has stated that this application is in condition for allowance except for the above noted formal matters. Claims 1-4 have been amended to overcome the formal objections.

The applicant has reviewed the prior art as cited by the Examiner but not used in the rejection and believes that the amended claims clearly and distinctly patentably define over such prior art.

It is now believed that the subject Patent Application has been placed in condition of allowance, and such action is respectfully requested.

Respectfully submitted,
